

Rodrigo Bonzerr S. Lopez

I am a computer scientist, certified Marvel geek, a photography enthusiast and a lifetime learner.

My personal motto about learning is:

"Learning is finding your purpose. Find your purpose and you'll be the wisest man who ever lived."

Street Address, City, ST ZIP Code | Telephone | test@gmail.com

OBJECTIVE

"I want to help you transform your business, I am a highly driven person and I want to become part of your team with the goal to contribute in growing your business. I am a person who continuously seeks self-improvement; I value professionalism and really value my client's time the same way I value my time."

COMMUNICATION

I was an invited facilitator and trainer in the Office of Civil Defense for the "Module 3: Advance Training for NSRC Officers and Leaders" last November 10-11, 2012 that was held at the Lapu-lapu Hall, APPRESCOM Camp Aguinaldo, Quezon City.

LEADERSHIP

I am an experience instructor that has conducted a number of lectures and seminars to different walks of life. I have been an invited speaker for disaster preparedness by a number of universities and colleges for training and development of students, teaching personnel and non-teaching employees. Some of the lectures I've done are related to first aid management, personal protection, safety and health.
